## Setting up Giving in Church Center from a Mobile Device

Please ensure that your recurring giving is canceled through Infellowship, our old giving platform, prior to setting up your new giving through Church Center so you are not charged or drafted twice for your gift.

1. Download and install the church center app through your App store or Play Store.

- 2. You will be prompted to create an account using your phone number or e-mail address if you have not already downloaded the church center app onto your phone. Follow prompts to set up your account.
  - a. You may need to turn on your device's location to locate Cielo Vista Church in the app if it is not on.
  - b. Once Cielo Vista Church pops up, select this church.
- 3. You will then be routed to the home page of Cielo Vista Church in the app which should look like the image below.
